

Universal LED Lighting Kit (GCL-GULK-D)

KIT INCLUDES

4 x 3-meter Light strips with 3 Super Bright LED's	1 x 3-way splitter
1 x 2-meter extension cable	1 x Dimmer on/off switch
Multipurpose Velcro tie tabs	
Material Seam grab clips	
Carry bag	

USE AND INSTRUCTIONS

Unpack the kit and ensure all connections and panels are in working order.

The lengths of LED panel and cable are all USB connection based and are interchangeable with each other and can be used in any order.

The panels are magnetic backed and should attach to most metallic surfaces. Material clips and Velcro closures are also included for use where metallic surfaces are not available.

POWER SOURCES

The system runs from a USB generated power source. Most USB power packs will be capable of operating this system. As well, USB convertors are commonly available for use with 12 volt and 240 volt.

CARE INSTRUCTIONS:

Use a brush to remove dirt and build up, or a damp sponge where required. Never immerse in water or cleaning solutions. Only a person suitably qualified should attempt repairs to this product.
